

Part 4 Step 2: The phone call

Brief for Martin

Tell Margaret that a memorial service for those who died on the Titanic will take place next Sunday. Ask if she is free and willing to come. Explain that you have heard that she has an iron flag from a lifeboat and ask her how she got it and ask her to bring it along. Tell Margaret that Mary's niece is going to be there and really wants to meet her. Try to persuade Margaret to attend.

Brief for Margaret

You are initially taken aback when you hear the word 'Titanic'. You do not know how to react. You are unsure as to whether or not you will attend. If you are asked about the flag, you explain that when you were on the Carpathia, a crew member from the lifeboat took it from the boat and gave it to you as a memento. It is made of iron. He said he wanted you to have it because you saved all the people on the lifeboat with your penknife.
